## Leadership Training Conference Scheduled For March 9-13

Rev. Leila W. Anderson, Dr. Frances W. Eastman, and Rev. Walter E. Dobler are the three national figures who will be giving leadership to the Training Conference for Sunday School officers and teachers, church volunteer workers with adult and young people's groups, and ministers, to be held March 9-13.

The conference, to which leaders from all of the churches of the Southeast Convention are invited, will be held at the Rock Eagle 4-H Club Center, Eatonton, Georgia. The Center is adequately equipped and staffed to take care of groups the year round.

The conference is being held for the benefit of Sunday School officers and teachers, members of Christian Education Committees in the local churches and at the association and conference level, workers with adult and youth groups in the churches, and ministers.

The Reverend Leila Anderson will teach the course for workers with children. Dr. Frances Eastman will be

in charge of the course for workers with young people. The Rev. Walter E. Dobler will teach the course for workers with young and older adults and will conduct a Bible Study course. Supt. James H. Lightbourne Jr. will lead the group in a study of Basic Christian Beliefs.

The Reverend Leila Anderson is well known throughout the Convention as "The Pilgrim Circuit Rider." Miss Anderson began her circuit riding September 1, 1954. Since then she has visited in 31 states and traveled around 57,000 miles.

ries church school curriculum.

She was recently honored by the Chicago Seminary with the degree of Doctor of Letters.

## News From Pleasant Hill

At the beginning of the autumn season, since no permanent leadership had been found for the Pleasant Hill Community Church and Center, the Rev. C. Freeman Sleeper and the Rev. Paul Reynolds were invited to serve in an interim capacity. Mr. Sleeper is from Connecticut and is doing graduate work in the School of Theology at Vanderbilt. Mr. Sleeper, his wife, and two small sons, Paul and Mark, are living in Nashville. Mr. and Mrs. Reynolds have established their permanent home in Pleasant Hill.

On Sunday, October 5, World-Wide Communion Sunday was observed. Eight new members were received into the church. At the close of the regular morning worship service we moved to the site of our new sanctuary for the ceremony of laying the corner stone. Mr. T. L. Cunningham, the Church Clerk, had prepared the documents to be placed in the stone. Very fittingly, the stone was one selected from the foundation stones of old Pleasant Hill Academy Chapel, the first church in Pleasant Hill. Others participating in the service included the head stone mason, Mr. Charles Treadway, Mr. Earl Clark, Chairman of the Board of Trustees, Rev. Freeman Sleeper and Dr. Paul R. Reynolds.

Our Pilgrim Fellowship youth program continues to be an active area. There is an average attendance of about 30 each Sunday evening.

On Halloween night the young people collected toys from the homes of the community. Work Day for Christ brought in a total of almost \$50.

## Pilgrim Hymnal Dedicated In Christmas Service

A major denomination's first new hymnal in more than a quarter of a century was formally dedicated in services held in Portland, Me., on Sunday, December 21, by one of the men chiefly responsible for producing it.

Rev. James W. Lenhart, minister of the State Street Congregational Church and chairman of the committee of theologians and hymnologists who compiled the Pilgrim Hymnal of the Congregational Christian churches, made the dedication of the new hymnal a part of the Christmas service at the church.

A combined senior-junior choir of about 75 voices sang from the new hymnal. The climax of the service was the presentation by Dr. Lenhart of one of the first bound copies of the 596-page book to the church's minister of music, Russell C. Gray. The State Street Church was the first in the country to order new hymnals from the Pilgrim Press, Boston, Mass., its publishers.

Though the hymnal includes selections as old as hymnology itself and others so new they have never been sung by any congregation, only the familiar Christmas hymns were used in the service.

Many nations, traditions and cultures are represented among the 456 hymns that range in time from the Genevan Psalter to the present.

Nearly five years in the process of compilation by a distinguished committee of musicians and churchmen, the Pilgrim Hymnal is expected to rank among the foremost hymn books of Protestantism.

Blending great hymns of the Reformed and Free Church heritage with notable contemporary hymns, the new Pilgrim Hymnal includes hymns never published before.

Hundreds of ministers and lay people helped the fourteen-member hymnal committee prepare the new book by answering questionnaires, attending seminars and recording preferences of their congregations.

The new hymnal includes worship aids and special choir music.

Sample copies have been sent to ministers requesting them. Churches interested in the new PILGRIM HYMNAL may secure a sample copy for study by writing to The Pilgrim Press, 14 Beacon St., Boston 8, Mass.

## WORLD DAY OF PRAYER

On Friday, February 13, 1959, many of our women will observe World Day of Prayer as part of the program of United Church Women. The theme, "Lord, I Believe," comes from the turmoil of the Middle East and was prepared by a group of Egyptian Christians. Groups which are not a part of United Church Women should be encouraged to observe World Day of Prayer by using the material available in the Basic Packet. Order from United Church Women, National Council of Churches, office of P. & D., 120 E. 23rd St., New York 10, New York—cost 50c.

"HISTORY: This is the seventy-third observance of World Day of Prayer, which began in 1887. On the first Friday in Lent, thousands of Christians around the world will be united in a service of prayer and thanksgiving. Services begin on the Tonga Islands, west of International Date Line, where Queen Salote leads her subjects in prayer. Throughout the day observances are held in one hundred forty-four countries, ending with the setting sun on St. Lawrence Island, Alaska."

"PURPOSE: The purpose of the Day is to unite all Christians in a bond of prayer, to pray for all the peoples of the world, and to make an offering for Christian missions at home and abroad." (From W. D. P. leaflet)

## Overseas Workers Needed Now

The American Board and the Board of International Missions of the Evangelical and Reformed Church expect to "appoint 128 new missionaries during the coming year."

WHERE WILL THEY BE FOUND? If all our churches accept the challenge to interest young people in missionary service, these workers could and would be found this year.

WHAT WORKERS ARE NEEDED? 18 ordained ministers are needed, persons who could fit into many different situations. 45 teachers are needed, ranging all the way from young people fresh out of college who will go to the Near East for a period of three years, to a zoology professor with a Ph. D.

For further information write to the Personnel Department, American Board of Commissioners for Foreign Missions, 14 Beacon Street, Boston 8, Mass.

## Superintendent's Corner . . .

In past years, driving along the roads of the beautiful New England state of Connecticut one was likely to see highway signs with the following words written on them:

#### DANGER THICKLY SETTLED

These signs gave one of my seminary friends the basis of a sermon. Of course, the sign meant that the driver was in a residential area, but my friend chose an alternative interpretation. That is, the people were settled into the same old ruts and ways — nothing could disturb them.

How many churches are there that should have the sign, "Danger, Thickly Settled", in front of them? Probably the description fits more churches than we care to admit. There are churches that haven't had a new idea, haven't tried a new method, haven't made a venture of faith in years.

But here it is the New Year. It is the time for doing something new and daring for God's Kingdom. Let this be a great new year for God in the life of your church.

## Travel With A Purpose To Near East Mission

The American Board Mission in the Near East hopes that 11 church leaders can tour our Stations in 1959 when the Near East is the interdenominational study theme.

The trip is open to those who present a statement of good health and also indicate that they are ready to give time to study before and during the trip. It is hoped that tour members will assume speaking responsibilities when they return. We urge church congregations to consider sponsoring such a trip through New Testament lands for their ministers.

The approximate cost of the tour is estimated at \$1325, including transportation and accommodations for 4½ weeks. Dates of the tour are still tentative, but the suggested dates are April 7-May 11. (The tour will end in Beirut, but some may wish to continue on to Jerusalem and return to the states from there.)

Persons interested in the trip should write immediately to Miss Margaret Blemker, American Board, 14 Beacon St., Boston 8, Mass.

## Woman's Gift . . . (fr. p. 5)

LEADER: With ribbons of service to the work across the nation,

RESPONSE: We dedicate our Woman's Gift.

LEADER: With ribbons of Christian hope to women around the world,

RESPONSE: We dedicate our Woman's Gift.

LEADER: With ribbons of promise to carry out God's will within ourselves and our own commitment to a life of service with our lives, our time, and our treasure,

RESPONSE: We dedicate our Woman's Gift.

PRAYER (in unison): Dear Father, may we here and now dedicate our gifts and ourselves, our all to Thee, that we may please Thee in the use of all we have. May our ribbons of love continue to go out to all who are in need. Through these gifts may more of thy children be turned to thee. We thank thee for all. Amen

HYMN: "Take My Life and Let It Be." (to be sung as a personal prayer and dedication)

# Woman's Gift Dedication Service

Worship Center: Bible, map of the world, large box with sides loose, to open as each ribbon is attached. Different color ribbons to be attached during the service to places on the map representing the fields of work.

(Six women will be needed to take part in the service.)

Call to worship: Matt. 5: 14-16.

Hymn: "Send the Light."

Offering: Two ushers bring the offering plates, with filled gift boxes to the large box, as the congregation sings the above hymn.

LEADER: We have come today to dedicate our Woman's Gift. As we have given of ourselves, our treasure, and our love, may we have a vision of the work that our sacrificial gift will carry on during the coming year.

We have before us a large box containing small boxes given us each year. It will represent the gifts gathered from all our women and the Fellowships across the country. It is a symbol of life, health, education, and of our love. Our money can support our schools, our missionaries, our Social Actions leaders and help in special projects in our own Southeast Convention and our state.

In our service of dedication we shall build into our Gift Box the foundation of love, the sides of service, the cover of outgoing Christian Witness in the spirit of Jesus. As it is opened we shall join our ribbons of unity with others of our state, our nation, and our world.

FIRST WOMAN (Woman's Gift Chairman): As chairman of the Woman's Gift, I hold the ribbon of Service and Love from all the local women. It forms the foundation of our gift box, out of which spreads women's work in our Congregational Christian Churches everywhere. In this way we know the Projects that our "Over and Above" gifts support in every area of work in our Southeast Convention, our nation and around the world. As our women know, they care, and as they care they share.

And so I take this ribbon to join our gifts with those of women in every Conference, and show our Christian concern for all who are in need. (Fastens ribbon to Southeast Convention office, Atlanta, Ga.)

SECOND WOMAN: (Chairman of Stewardship) Representing the Congre-

gational Christian woman of the Southeast Convention, I am happy to show the ribbon of work of our share of the Woman's Gift. It supports our own Colleges, Convention, and some small churches, thus making the first side of our box.

In the past year our share increased, making it possible to help more, (tell of projects in the state) especially our own young people to become better leaders.

In helping our colleges and young people to form character for the future, we know that we have built a firm side on our Gift Box and can look forward to a vital, progressing church in the years to come.

I take my ribbon from the (name of your state) and show the work within our Convention.

(Fasten ribbon to your state on map)

THIRD WOMAN (National Work): As we need to help our own Conferences, so do we need to share in the work of our churches across the nation. Our giving makes Christian Education possible in the Montana -N. Dakota area, Adult Education, Scholarships for Foreign Students, and Aid to New and Renewed Churches. How thrilling it is to think our Gift Box dollars are helping to build spiritual morale across the nation.

And so our ribbon of national service takes our gift to the East and to the West, across America. And our second side of the open box is being built with a wider area of service, enlarging our vision, and warming our hearts. (Fastens ribbon to N. Dakota area)

FOURTH WOMAN (Our Christian World Mission): As Jesus taught his disciples to go into all the world and preach the gospel, so our women, through the years, have tried to carry out this commandment by sending missionaries to other parts of the world, undergirding their needs with prayers and money.

This year our Woman's Gift will go to many places throughout our world. To the Christians in South Africa, who have made great sacrifices and labored diligently to build suitable church buildings. It will be used in Angola, the American Board's hospital at Galangue, and at other hospitals in Naples, Italy, and in helping in the Board's

participation in Asia Council on Ecumenical Mission.

The world becomes a smaller place and our vision wider as we share our abundance of food, clothing, education and Christian ministry with others in need.

So this wide ribbon of Christian Fellowship becomes many out of one, as our work spreads around the world. (Fastens a wider ribbon to Italy, Asia, Mexico, Near East)

FIFTH WOMAN (Personal Commitment), White Ribbon): To be complete and to stand square for all these needs and symbols, the fourth side of our Gift Box is built with our own personal witness and individual commitment of our time, our talents, and our treasures.

We promise anew to live our belief in Jesus Christ, and follow him always in our everyday life — at home, at work, at play, and doing so, become real evangelists of our religious faith and Christian heritage. So may we let our light so shine before men that they may see your good works, and glorify your Father which is in heaven. And we want to be true stewards for Thee. (Holds the open Bible and places ribbon on it) And as I take my ribbon of dedication, a strange ribbon, it is my steadying ribbon, for God's hand holds the other end. (Lays the end of ribbon on the open Bible)

SIXTH WOMAN (Christian Love): In our gift box we have enclosed our gifts, but have opened wide the cover that our Woman's Gift in symbol with ribbons of love, may go out to our state, our nation, and around the world.

Let us think of our Gift Box as an outpouring of our love in Christ, and the deep sharing concern for all who are in need. Jesus said: "I am the Light of the world." Have you ever thought what he said? Now let His Light become the ribbon by which the gift of health, knowledge, and personal dedication to him may be the fulfillment of His words: "In as much as you have done it unto one of the least of these, my brothers, you have done it unto Me." (Matt. 25:40)

## DEDICATION LITANY

LEADER: With ribbons of love to the work within our Convention.

RESPONSE: We dedicate our Woman's Gift.
